FLES in Cold Spring Harbor Schools

In June 2008, a proposal to implement a Sequential Spanish FLES Program was brought to the school board by Carmen Campos, department chair of World Languages. In September 2008, Spanish FLES began in second grade at both elementary schools. Each consecutive year, one grade level was added and teaching staff increased accordingly. As of September 2012, all students grades 2-6 participate in the FLES program.
